Dea Fauna duo

today is your lucky day.

The Dea Fauna S duo is a square tiltable surface-mounted downlight. The light sources can be controlled independently of each other, giving you the opportunity to add that magical touch anywhere you like. This double downlight offers the same sizes and lumen packages as our recessed downlights. This guarantees a very high performance, also in rooms where ceilings don't permit recessed luminaires. On request available in 24°.

Dea Fauna S duo.
