Trim version

Dea Durga
fierce and effective.

Durga is known as a fierce goddess, wife of Shiva. She is usually depicted riding a tiger or lion and slaying the buffalo demon, and with eight or ten arms. The Dea Durga does her job with only one arm, but with the same power and effectiveness. Let this versatile fixture play a decisive role in your light plan. Compatible with our Dea Athena modular system, you can choose between a trim and trimless version and of course the various reflector colors.

Dea Durga M.
